

Daraz
INDIAN CUISINE

Menu

Welcome to "Daraz".

The "Daraz" is one of Newcastle's oldest Indian restaurants, now refurbished and under the ownership of a family orientated chain of restaurants.

India is a vast country with a great variation in climate and terrain. Each of its many regions boasts its own special style and flavour of cooking, just as each has its own quite different language and customs. For example, in Kashmir, which lies to the north, it will be mild and saffron will feature in the preparation. In Uttar Pradesh, which includes the foothills of the Himalayas, it will be simple with a subtle, delicate taste. In the south of India, in Tamil Nadu, the same dish will become spicy and aromatic, for this is the major spice growing area. However, the whole country shares a common appreciation of the subtle spices and seasonings which makes Indian food so distinctive.

After carefully selecting special dishes from all regions of India, our experienced chef creates authentically tasting regional varieties with freshly roasted ground spices.

Your comfort and culinary enjoyment are important to all our staff
